

REMARKS

When applicant supplied the marked-up substitute specification removing web addresses and hyperlinks (13 Oct 2005), as requested, the claims provided in that substitute specification were the original claims as filed and were not the amended claims (amendment filed on 7 July 2005; only claim 1 amended).

Applicant has been requested to supply a complete listing of the claims with the proper claim identifiers.

This requested claim listing is supplied herewith.

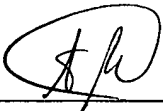

Because the amendment has previously been submitted, the status identifier "Currently amended" has been changed to "previously presented".

In view of the above amendments and remarks, it is requested that the examiner reconsider the claims. If a telephone conference would help, please contact the undersigned,

No fee is believed to be due. If an additional fee is due, the Commissioner is hereby authorized to charge any additional fee or credit any overpayment to Bell & Associates Deposit Account No. 50-3194.

Respectfully submitted,
